Consumer Complaint

Your Information

We have found complaints can normally be resolved if the consumer contacts the credit union directly. If you have not already done so, please contact an officer of the credit union and attempt to resolve the problem. If direct contact with the credit union is unsuccessful or you are not satisfied with the results, please fill out this form and send it, along with copies of the credit union's response and any other appropriate documentation, to the Division of Credit Unions. Your complaint will be promptly acknowledged, and you will be notified of the final disposition.
